**POWAIR0105 - SPRAY GUN GRAVITY FEED 600ml**  
**POWAIR0106 - SPRAY GUN SUCTION FEED 750ml**

These high pressure spray guns cover large surfaces with an even coating of paint or varnish. They are perfect for a wide variety of home improvement projects and can even apply a perfect finish without drips on smooth, shiny objects such as radiators or steel picket fences.

According to the paint job, you have the possibility to control the amount of fluid leaving the spray gun as well as making adjustments to the spray pattern.

The powder coating finish ensures a firm grip and a high level of comfort.
