COATING SPRAY GUN - POWAIR0113

The POWAIR0113 is a lightweight and easy to operate underseal gun, designed to apply rust inhibitors on car bodies. The maximum working pressure of this gun equals 8bar. A euro male coupler is included to connect it to a suitable compressed air supply. Air inlet 1/4". Equipped with a 50cm flexible hose, perfect to apply a protective film on hard to reach places such as car cavities, crevices and joints. Without nozzle it can be used for surface applications.
