**POWERPLUS**

# POWC40100 FINISHING SANDER 150W

This lightweight finishing sander from Powerplus can be used to sand porous materials such as wood from a cupboard, as well as to remove paint. Because of its large sanding surface of 186 x 90mm, your work progresses quickly.

The machine is equipped with a second handle that offers you more grip and comfort. You can also connect it to a vacuum cleaner to keep the workplace and sandpaper clean. Thanks to the hook & loop system and quick clamp system, you can quickly replace your rectangular sandpaper.
