POWERPLUS

CONCRETE/PAINT MIXER - POWC6021

Thanks to this Powerplus concrete/paint mixer, manual labour and messy lumps are a thing of the past! The mixer can be used for mixing paint and paste, as well as more solid materials like plaster and mortar. With its 1050W motor, this Powerplus concrete/paint mixer is a perfect match for smaller mixing jobs. A 50cm long mixing paddle and two spanners are included. This way you can start painting, plastering or tiling even quicker.
