POLISHER 20V - POWDP4040

Easily fix scratches and restore the shine of your car, truck or motorcycle? That's no longer a difficult job thanks to this Dual Power polisher. It does all the work with the 20V battery and a large polishing wheel of Ø240mm.

This two-handed polisher provides you a reinforced grip, reaches a speed of 3000min⁻¹ and is perfect for polishing vehicles. The POWDP4040 comes with a wool polishing cap for letting your car shine straight away.

The 20V battery is not included. You simply click it onto any 20V tool of the Dual Power range.
