**AIR COMPRESSOR 40V - POWDP7070**

This cordless 40V air compressor from Dual Power comes in handy for inflating bicycle and car tyres, air mattresses, but also for blowing away dust. Wherever you want to work, you easily take the lightweight anywhere and no cable will disturb you.

Moreover, the compressor is oil-free, so you don't lose time maintaining your device. The manometer shows you the exact working pressure. More specifically, you can reach a max. pressure of 8 bar and can fill the compact 5 litre tank at a speed of 36l/m.

This Dual Power compressor keeps you going just that little bit longer, as it is equipped with 2 batteries. You can choose to use them together or separately and work even more flexible!
