LEAF BLOWER 40V - POWDPG7526

This powerful 40V leaf blower from Dual Power guarantees a clean and orderly garden in no time. The cordless tool offers almost limitless freedom of movement, without getting entangled in extension cords. Its durable brushless motor ensures a longer runtime, less maintenance and an even more powerful performance.

The leaf blower offers four speed settings, plus a turbo setting. The latter provides a maximum air speed of 200km/h and an air volume of 13.8m³/min. This ensures that even wet or stuck leaves pose no problem. The tube can be detached in the blink of an eye, making it even easier to store the POWDPG7526.

An electronic speed control, efficient cooling system and a safety trigger ensure the user's safety throughout. Furthermore, the leaf blower is equipped with an ergonomic soft grip and it is an easy-to-maintain and clean tool.

Separate battery and charger

The battery and charger are not included. They are sold separately and are compatible with the whole Dual Power range.

Which Dual Power batter is compatible?

This 40V leaf blower is only compatible with the 2x20V Dual Power batteries.
