### POWDPG7531 Hedge trimmer 20V

With this cordless 20V hedge trimmer from Dual Power you trim your hedges comfortably and with a large freedom of movement. Thanks to its 580mm cutting width you easily cut medium-sized hedges, whereas the double action laser cut blade allows very smooth cutting for branches up to 18mm in diameter. The device features an easy start system that gets you going quickly, as well as a lock-on button for continuous use.

Combine with a 20V or 40V battery from our DUAL POWER range. With the latter battery you can even work twice as long.

### POWDP9011 (20V 2.0Ah battery)

The included 20V battery is compatible with all 20V tools from the DUAL POWER range, both power and gardening tools. It has a capacity of 2.0Ah.
