## POWDPG80621 HIGH PRESSURE CLEANER 20V

This starter set consists of a POWDPG80620 20V pressure washer, a 20V battery and a charger.

### POWDPG80620 20V pressure washer

This cordless pressure washer from Dual Power is ideal for use on the road. The 20V pressure washer is equipped with a 6m long hose, which can draw water from remote sources, such as a lake, well or pond. Therefore, this is Dual Power tool is perfectly suited for cleaning road or mountain bikes after a muddy ride. It can also come in handy on holiday to give the car a quick rinse. The portable pressure washer can be attached to a regular tap as well, by using a standard garden hose.

The Dual Power pressure washer features a powerful brushless motor. It is more durable, extends the battery's autonomy and requires less maintenance.

The washer has a flow rate of 170 litres per hour with a maximum water pressure of 25 bar. Switching between low and high pressure is easy.

The 5-in-1 pressure nozzle features 5 different spraying patterns, ranging from a regular water jet to a powerful precision jet. Extra clean results can be achieved thanks to the detergent tank. It can be attached easily and provides perfectly clean results.

### 20V battery POWDP9011 and charger POWDP9051

Besides the Dual Power tool, this starter set includes a 20V battery and an accompanying charger as well. The battery has a capacity of 2000mAh and is compatible with all 20V tools from the Dual Power Range.
