## POWE00015 SCREWDRIVER 3.6V LI-ION

Sometimes all you need is a simple and lightweight screwdriver. The POWE00015 can unfold to provide a straight screwdriver, for instance to use in hard-to-reach places. Its built-in led worklight makes the job even easier.

The screwdriver is powered by a 3,6V Li-ion battery, with a capacity of 1300mAh. It only has one speed setting of 180min<sup>-1</sup>, so it couldn't be simpler to use.
