**POWE20030**

# ANGLE GRINDER 2200W | Ø230mm

This angle grinder has an impressive power of 2200W. The rear handle not only has a soft grip, but is also rotatable. On top of that, the auxiliary handle can be set in three positions: top, left and right. These features guarantee great user comfort and provide a superb control in all possible orientations of the grinder.

The soft start lets the engine start slow and build up to full speed. This drastically increases safety and control. The POWE20030 with spindle lock and safety guard can hold a Ø230mm disc. The grinding disc is not included.

TECHNICAL SPECIFICATIONS POWE20030		Features	Box content	Symbols
Rated voltage/ frequency	230-240V~ 50Hz	<ul style="list-style-type: none"> <li>• Quick clamp system</li> <li>• Safety guard</li> <li>• Rotatable handle</li> <li>• Spindle lock</li> <li>• Release button</li> <li>• Power indicator</li> <li>• Auxiliary handle: 3 positions</li> <li>• Soft start motor</li> </ul>	1x angle grinder
