# JIGSAW 450W

This jigsaw is perfect for sawing curves and circles, for instance when making holes for a sink or for electrical outlets. The guide roller gives the support you need for accurately following straight and curved lines.

The POWE30010 has an adjustable base and can cut up to 55mm in wood. You can attach the jigsaw to a vacuum cleaner in order to keep a clear view of the cutting line and a clean, dust-free working environment. One blade for wood is included.
