## POWE40040 BELT SANDER 1010W

This 1010W belt sander is suited for sanding and polishing large surfaces of wood and plastic. Its variable speed allows you to set the right speed for the job. The lock-on button allows you to work continuously, no need to hold the on-off switch constantly.

The POWE40040 is equipped with a second handle for better grip, an adjustment knob for centering the belt and a dust bag for collecting all sanding dust. One sanding belt is included.
