POWE40051

# TRIANGULAR SANDER 280W

This lightweight triangular sander is ideally suited for sanding narrow corners, edges and difficult to reach places. Its 280W motor delivers between 12000 and 22000 motions per minute. The speed can be chosen freely to fit each material and workpiece.

Thanks to its light weight and compact design, it can be operated with one hand. The lock-on switch provides the necessary comfort, while the soft grip ensures a perfect grip throughout. The sander is suitable for left and right handed persons alike.

Its triangular sanding base is equipped with a hook & loop system, allowing to change out sandpaper quickly and easily. The vacuum cleaner connector is integrated in the sander's handle, allowing to remove excess dust right away. This ensures a safe and healthy working environment.
