ANGLE POLISHER 1200W - POWE41030

This 1800W angle polisher with a fast rotation speed of 3500min⁻¹ is specially designed for an easy and comfortable use. The constant speed control ensures a smooth and consistent operation when polishing and buffing vehicles, boats or sanding tasks. The soft start enables the polish to evenly spread over the whole surface.

Switching between sanding and polishing is easy thanks to a quick hook & loop system. One sandpaper, sponge pad and polishing bonnet are included.
