POWERPLUS

PLANER - POWE80030

This 900W planer works fast and accurate. It has a rotation speed of 17.000min⁻¹ and a large planing width of 82mm. You decide how much wood you wish to take away as the planing depth can be set between 0 and 3mm.

The POWE80030 has a side guide to ensure all cuts turn out perfectly straight every time. It also has a lock-on button for comfort and continuous use and a dust bag to collect the dust during sanding.
