POWE80060

ROTARY MULTITOOL 135W

The amount of DIY jobs you can do with this versatile tool is impressive. It features interchangeable accessories for drilling, cutting, grinding, sanding, buffing and shaping materials such as wood, metal, plastics and stone.

The POWE80060 comes with a flexible hose for comfortably performing precision work and a clamp for extra stability. There are 40 accessories to choose from and the spindle lock makes a fast change of accessory possible. The speed control dial lets you select the right speed for the right material.
