**18V LITHIUM-ION
BATTERY SERIES**

One 18V Lithium-ion battery for an entire range of power tools and garden equipment. That's "One Fits All", the new Powerplus EB-line battery series. It offers endless possibilities and total freedom of movement.

Choose between two 18V battery models with a different capacity: 1,5Ah or 3.0Ah for a longer runtime.

**AVAILABLE
JANUARY 2018**

IMPACT DRILL/SCREWDRIVER - POWEB1520

This 18V Li-ion drill/screwdriver has all the power you need for drilling or turning screws. It has a maximum torque of 50Nm and you can easily change speed (two speed gear) or torque (23+1+1 setting) to support a wide variety of tasks. The soft grip increases the comfort and control.

Thanks to the keyless chuck it is easy to quickly change bits. The POWEB1520 also has a depth stop for increased accuracy and a quick stop that provides additional safety in time of need. The built-in led worklight improves the visibility and gives you the opportunity to work in poorly lit spaces.

Combine with the 'One Fits All' 18V Li-ion battery. Battery and charger not included.

TECHNICAL SPECIFICATIONS POWEB1520		Features	Box content	Symbols
Rated voltage	18V \approx	<ul style="list-style-type: none"> • impact function • quick stop • depth gauge • 2 speed settings • left/right-switch • LED worklight • soft grip 	1x impact drill/screwdriver
