This petrol hedge trimmer is light, manoeuvrable and completely wireless. So you are completely free to move, without an extension cord hindering you or getting stuck in the hedge. A rotating handle allows you to easily follow the shape of a bush or hedge without twisting yourself.

The POWEG3010 is equipped with a 22.5cc petrol engine and can handle branches up to 28mm thick. It easily cuts small shrubs and medium-sized hedges with its double-sided cutting blades with a blade length of 60cm.
