18V LITHIUM-ION  
BATTERY SERIES

One 18V Lithium-ion battery for an entire range of power tools and garden equipment. That's "One Fits All", the new Powerplus EB-line battery series. It offers endless possibilities and total freedom of movement.

Choose between two 18V battery models with a different capacity: 1.5Ah or 3.0Ah for a longer runtime.

## POWESET1 DRILL/SCREWDRIVER SET

This set contains a 18V drill/screwdriver, two 1300mAh 'One Fits All' Li-ion batteries and a 153-piece assortment of drills, driving bits and plugs. Supplied in a strong metal case with a convenient carry handle.

The 18V drill/screwdriver has all the power you need for drilling or turning screws. It has a maximum torque of 35Nm and you can easily change speed (two speed gear) or torque (20+1 setting) to support a wide variety of tasks. The soft grip increases the comfort and control.

Thanks to the keyless chuck it is easy to quickly change bits. The built-in led worklight improves the visibility and gives you the opportunity to work in poorly lit spaces.

TECHNICAL SPECIFICATIONS <b>POWESET1</b>		Features	Box content	Symbols
Rated voltage	18V ...	<ul style="list-style-type: none"> <li>• 2 speed settings</li> <li>• quick stop</li> <li>• left/right-switch</li> <li>• LED worklight</li> <li>• soft grip</li> </ul>	1x metal case
