AUXILIARY HANDLE (2 POSITIONS)

SPINDLE LOCK FUNCTION

METAL SAFETY GUARD

ANGLE GRINDER 720W

This 720W angle grinder has a compact Ø115mm disc for cutting off, grinding, sanding, deburring or rust removal. A spindle lock keeps the spindle from moving while installing a disc.

The auxiliary handle with soft grip can be fixed in two different positions. This provides a superb control of the angle grinder. A safety guard lets the user work in all safety.

POWERPLUS

PRO POWER

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
