INCLUDED ACCESSORIES

HAMMER DRILL 1050W

This 1050W hammer drill is just what you need for strong hammer drilling, chiseling or chisel rotation. It produces up to 3780 strokes per minute with an impact force of 10J and it drills up to 38mm in concrete.

The speed itself can be set from 0 to 520min⁻¹. The SDS max type system allows a fast and tool-free chisel change. The soft grip gives you maximum comfort and control.

The hammer drill is equipped with a removable auxiliary handle that can be fitted to suit both right-handed and left-handed DIYers. The POWP3030 with dust cap is delivered with a flat chisel and a pointed chisel.

POWERPLUS

PRO POWER

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
