FINISHING SANDER 250W

This finishing sander has both a hook & loop system as paper clamps, allowing the use of all sorts of sandpapers. It has a strong aluminium base and a guide handle with ergonomic grip for a comfortable use.

The lock-on button is convenient for continuous use and increased operator comfort. The dust bag collects all dust during sanding and ensures a better visibility on the sanding surface and a cleaner working environment.

The POWP5020 is delivered with 5 sandpapers with different grain.
