## HEAT GUN 2000W

This versatile 2000W Powerplus heat gun is your ultimate weapon for drying paint or wet timber, removing stickers, loosening nuts and bolts, thawing frozen pipes and bending plastic pipes. It is also highly suitable for removing paint. You can choose a temperature between 50°C and 600°C through the practical lcd-display, as well as an air debit between 180l/min and 280l/min.

The ergonomically designed D-shaped handle is easy to hold and has a cool zone in the front. The memory function always remembers your last chosen temperature and air debit setting. Two air nozzles are included, that help you clear every task: a reduction nozzle to concentrate the heat and a wide nozzle to spread the heat.

# POWERPLUS

## PRO POWER

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
