## IMPACT WRENCH 20V LI-ION (NO BATTERY)

This 20V impact wrench from Pro Power can be used for heavier chores, like changing car tyres and (dis) assembling furniture. You can be sure you will enjoy using the tool for a long time. After all, it is equipped with a brushless motor, a powerful and durable low-maintenance motor with less vibrations and a longer life expectancy.

The compact and powerful Pro Power tool has a high torque of up to 300Nm. You can choose a speed of up to 2800min<sup>-1</sup> so you can handle every task. Furthermore, the impact wrench obtains an impact rate of 0 to 3100 strokes per minute. Its quick stop ensures your safety and comfort, as it immediately stops the chuck from turning. Finally, you can attach the impact wrench to your belt with the belt clip if you want to work with both hands free.

### Separate battery and charger

Battery and charger are not included. They are sold separately and are compatible with the entire Pro Power battery platform.

### With which PRO POWER battery is it compatible?

Combine this 20V impact wrench with the 20V Pro Power battery. This 20V battery exists in two varieties: a 2.0Ah battery and a 4.0Ah battery for an even longer battery life.

# POWERPLUS

*Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.*
