POWPB30700 CIRCULAR SAW 20V LI-ION (NO BATTERY)

This cordless 20V circular saw from Power Pro has a Ø185mm saw blade that rotates at a speed of 5000min⁻¹. It comes with a side guide with scale and has enough power to saw in a perfectly straight line with a depth of 65mm. With its adjustable angle, you can also make bevel cuts at an angle of 45° and with a depth of up to 44mm. The device has an excellent product lifetime, because it is equipped with a powerful and durable low-maintenance brushless motor that produces less vibrations.

The durable Pro Power circular saw is equipped with a strong aluminium base. It has a safety guard and led work light, so you can work comfortably and safely. One wood saw blade and a hex wrench are included.

Separate battery and charger

Battery and charger are not included. They are sold separately and are compatible with the entire Pro Power collection.

Which Pro Power battery is compatible?

This 20V circular saw is compatible with all 20V Pro Power-batteries. They are available in three versions, with a capacity of 2.0Ah, 4.0Ah and one with 6.0Ah that provides you with an even longer battery run time.

POWERPLUS

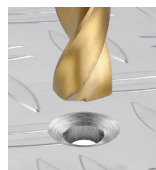

PRO POWER
