## ANGLE POLISHER 20V - 180mm

With this cordless 20V angle polisher from Pro Power you can finally deal with hard-to-reach places. Give your furniture and car a thorough cleaning. The machine is equipped with a Ø180mm polishing disk and a powerful and durable low-maintenance brushless motor with less vibrations and a longer life expectancy.

The auxiliary handle with soft grip can be fixed in two different positions. This provides an excellent control of the angle polisher. Thanks to the spindle lock, you can replace the disc easily and quickly, without any tools. The lock-on switch for continuous use lets your work progress even quicker.

### Separate battery and charger

Battery and charger are not included. You buy them separately and they are compatible with the whole PRO POWER battery platform.

### With which PRO POWER battery is it compatible?

This 20V angle polisher is compatible with all 20V Pro Power-batteries. They are available in three versions, with a capacity of 2.0Ah, 4.0Ah and one with 6.0Ah that provides you with an even longer battery run time.
