CHAINSAW 45.4cc 450mm

If you're looking for a cordless, yet powerful chainsaw, the Powerplus POWPG20130 is a good choice. This petrol chainsaw is equipped with a 45,4cc 2-stroke petrol engine, a Champion spark plug and a high quality Oregon chain and bar.

Its 45cm long sword cuts effortlessly branches and tree trunks. The chain lubrication is automatic and the easy start system gets you going quickly. You can thus focus on your job. For your comfort, the device is equipped with a soft grip, low kickback and a spiked bumper as a point of support. After your activities the quick stop brings the knives to a halt. The protective cover for its part enables a secure storage of your equipment, whereas the auto break hand guard takes care of a safe use of the chainsaw. Sawing with the POWPG20130 is not only done with power, but also in a safe way and with considerable ease of use.

POWERPLUS

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
