CHAINSAW 2400W 400mm

The Powerplus electric chainsaw deals rigorously and quickly with all your sawing and pruning tasks: cutting beams, sawing fire wood, pruning trees, etc. This saw is the right tool for the job. Besides a 2400W peak power and a 400mm saw blade, it also comes with a high quality Oregon chain and bar.

POWPG20210's kickback is reduced to a minimum. The quick stop and auto brake hand guard take care of the operator's safety. The safety guard enables moreover a secure storage of your equipment. Thanks to the overload protection and the automatic chain oiler for a smooth operation, you are even more sure to have a durable tool in hands.

The toolless chain adjustment and the soft grip enable you to perform your activities in a comfortable way. Very useful when you need a chainsaw regularly.
