POWX00450

BRUSHLESS IMPACT DRILL/SCREWDRIVER 20V LI-ION

This cordless 20V impact drill/screwdriver from Powerplus can handle almost every task: with it you are able to drill holes in wood, stone and concrete, as well as assemble furniture quickly. The device has a torque of 50Nm and an impact function. By eliminating friction, the brushless motor works more efficiently. This results in a 50% more powerful tool with a 50% longer lifetime compared to devices with a brushed motor.

The Ø10mm auto-locking chuck enables you to change bits and drills quickly and easily. Working in darker places is no problem thanks to the LED working light. The Powerplus tool is equipped with a soft grip that fits your hand comfortably, and a quick stop to immediately stop the chuck from rotating when you release the trigger.

The POWX00450 features two different speed settings and 16 torque + 1 impact and drill settings. It comes in a handy storage case. A charger and two batteries are included. You are able to check the battery level easily thanks to the battery level indicator.

TECHNICAL SPECIFICATIONS POWX00450		Features	Box content	Symbols
Voltage	20V \equiv	<ul style="list-style-type: none"> • Brushless motor • 3 functions: screwing/drilling/impact drilling • Auto locking chuck • 2 speed settings • Quick stop • Led worklight • Quick charger • Soft grip 	1x Brushless impact drill/screwdriver	<div>CHEMICAL SAFETY <input checked="" type="checkbox"/></div> <div>CE</div>
