## IMPACT DRILL 850W

This 850W impact drill can drill 30mm in wood and 13mm in concrete and steel. For optimal durability and stability it has a high quality metal gearbox and a high quality chuck.

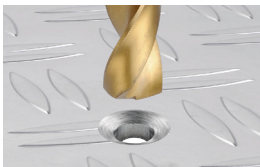

The 13mm keyless Peacock chuck has a lock function, so it is easy to change bits and drills. There is also a depth stop, a left/right action and a lock-on button for continuous operation.

The speed control can be set from 0 to 3000min<sup>-1</sup> to select the optimal speed for drilling.
