## POWX0460 BELT SANDER 950W

The POWX0460 belt sander is designed to sand and buff wood, plastic and similar materials. A built-in dust extraction element discharges the sanding dust via the dust collect box with micro filter, and if preferred, you can connect the belt sander to a vacuum cleaner. The advantage of the dust extraction? A longer service life of the sanding paper, better visibility on the sanding surface and a cleaner working environment. With the adjusting screw you keep the belt centered and the front cover can be tilted in order to sand in tight spaces. Soft grip on both the main and the adjustable auxiliary handle. The POWX0460 is delivered in a handy blow molded case with 3 sanding belts. It's warranted for 3 years.

TECHNICAL SPECIFICATIONS POWX0460		Features	Box content	Symbols
Rated voltage	230-240V~ 50Hz	<ul style="list-style-type: none"> <li>• Dust adaptor / Dust collect box with microfilter</li> <li>• Speed control dial</li> <li>• Adjusting screw</li> <li>• Adjustable auxiliary handle</li> <li>• Soft touch</li> <li>• Soft grip</li> </ul>	1x belt sander
