POWX0841

# CONCRETE / PAINT MIXER 1600W

With this concrete and paint mixer from Powerplus you easily mix thin paint, as well as mortar. With its two speeds, a slower speed for more delicate tasks and a faster speed, the POWX0841 has the ideal speed setting for every task. The 1600W motor ensures fast and powerful mixing without any lumps. Thanks to its soft start, the machine prevents splashing, as it speeds up gradually.

The soft handle offers you the needed working comfort. The concrete and paint mixer comes with a 59cm mixing paddle and 2 wrenches, so you can start working immediately.
