POWX1179 HAMMER DRILL 1600W

This electric hammer drill can hammer or drill with the greatest ease. It can drill into concrete up to an impressive 40mm. Switching from one function to another is easy with the mode selector.

The vibration reduction system provides you with the needed comfort. It ensures a low vibration level for this powerful drill, that is capable of producing 3800 impacts per minute. Its soft grip makes the POWX1179 fit perfectly in your hand and the removable auxiliary handle gives you even more grip.

The Powerplus hammer drill is delivered with a dust cap, an SDS MAX-type drill and a pointed and flat SDS MAX-type chisel.
