# DEMOLITION HAMMER 1700W

You can use this stunning performer from Powerplus for breaking through concrete, brick and stone. With a 1700W motor and an impact force of 60 joules, your demolition works will progress rapidly. Thanks to the Hex connection, you easily change your chisels by hand.

This strong demolition hammer reaches 1900 strokes per minute. Thanks to the excellent anti-vibration system, you feel almost no vibrations and are able to work very comfortably. So using the POWX11861 is pleasant, even for longer tasks. Its soft grip makes the device fit perfectly in your hand and the auxiliary handle provides even more comfort.

The Powerplus demolition hammer is supplied in a carrying case, in which you will also find one pointed and one flat chisel. This lets you store the tool and its accessories easily.
