POWX1190 HAMMER DRILL/ DEMOLITION HAMMER 1600W

This electric demolition hammer from Powerplus is perfect for your heavy duty demolition work. Choose the right function with the mode selector and engage the machine for hammer drilling, drilling and chiselling in stone and concrete. Redundant walls or an old bathroom make space for your renovation works in no time. The speed control lets you set the optimal speed from 0 to 2300min⁻¹.

Furthermore, this powerful machine has an impact force of 25 joules. Thanks to the excellent anti-vibration system, you almost feel no vibration and are able to work very comfortably. So using the POWX1190 is pleasant, even for longer tasks. Its soft grip makes the device fit perfectly in your hand and the second handle provides even more comfort.

The Powerplus demolition hammer is supplied in a BMC, so you can easily store and transport the powertool. You will find one pointed chisel and a drill in the case too. Thanks to the SDS-max type connection, you can easily change the drills and chisels by hand.
