POWX1230 BENCH GRINDER 350W | Ø150mm

You can use this Powerplus bench grinder for grinding, sharpening, deburring and removing rust of steel and metals, garden, kitchen and hand tools.

This device comes with two different fast running dry grinding wheels (grain 36 and 60), a low-noise and maintenance-free induction engine, a ball bearing shaft for a long service life of the machine, a large eye shield which provides an optimal eye protection, an adjustable LED work light and a work rest for extra stability when working.
