POWX1270 BELT SANDER/ BENCH GRINDER 240W

This 2-in-1 tool is a combined belt sander and bench grinder. With just one tool you can sand wood or grind metal at a rotation speed of 2980min⁻¹. The belt sander is delivered with three sanding belts with a grain of G60 and G120. The bench grinder has a Ø150mm grinding disc and a spark shield that provides the necessary protection against sparks.

Both the belt sander as the bench grinder have a handy workpiece support. It provides a stable surface upon which the workpiece can rest and be held. The belt sander even has an alternative mounting hole for this workpiece support, so you can position the workpiece depending on personal preference.
