POWX1346

OSCILLATING MULTITOOL 300W

This very versatile multitool comes with no less than 29 accessories. Depending on which accessory you're using, the POWX1346 allows you to sand, saw, scrape, polish, raps and cut. Changing accessory is easy thanks to the quick release system and the hook & loop system.

The oscillating multitool has a high capacity 300W motor for great performance and can be set at 6 different speed positions to obtain a rotation speed between 15000 and 21000min⁻¹.

A dust extraction element discharges the sanding dust via a vacuum cleaner for better visibility on the working surface and a cleaner working environment. The POWX1346 is delivered with 2 sanding pads, 24 sandpapers, a shovel blade, plunge cut blade and segment blade.

TECHNICAL SPECIFICATIONS POWX1346		Features	Box content	Symbols
Rated voltage-frequency	230-240V~ 50Hz	<ul style="list-style-type: none"> • Quick release system • Variable speed • Dust extraction • Soft grip • Aluminium gearbox • Hook & loop system 	1x multitool
