POWX1706

COMPRESSOR 1100W

This oil-free portable Powerplus compressor is ideal for inflating car or bicycle tyres, air mattresses and basketballs. Thanks to the high air debit up to 180l/min. you get on well with your activities and you are certain of a constant 8 bar pressure. The compressor is compact and light and therefore easy to transport and to store. As the compressor is oil-free, it doesn't require any lubrication or maintenance and is very easy to use. The safety valve avoids overload.

The POWX1706 comes with a housing for your different accessories. Besides an inflator gun with manometer, it consists of nine different adaptors and a 3m spiral hose with quick coupler.
