## POWX1751 COMPRESSOR 1100W

This upright compressor with a tank capacity of 50L generates a power of 1100W and 1.5HP. The workforce of this oil free engine amounts to 8 bar.

The versatile POWX1751 comes with a whole set of accessories: an air hose, an air pistol, a tire blowing pistol, a pneumatic tacker and a pneumatic chisel/hammer. An airflow of 180 l/min accompanies you in your different jobs.

All items are easily connected with the universal coupler. The pressure can be adjusted according to the job and is precisely visible on the pressure meter.

The big wheels and the practical grip make the device easy to move and to handle. In addition, an upright compressor does not need a lot of storage space.
