POWX3230

VACUUM CLEANER WET/DRY 1200W

This wet/dry vacuum cleaner of Powerplus is able to vacuum or to blow, what makes it a perfect tool for indoor and outdoor applications. You can use it to clean your living room, as well as to clean your garage or cellar with this device. Moreover the blow function helps removing leaves from your terrace. Thanks to the high efficiency filter you even can collect dust particles.

With a power of 1200W and a 20l stainless steel tank, the POWX3230 provides you a strong and solid vacuum cleaner appropriate for renovation and construction projects. Furthermore you choose whether or not to use the dust bag. The device is easy to move thanks to a wheeled base, a carrying handle and a 5m long cable. For an even longer or more flexible reach you lengthen or shorten the telescopic shaft.

Different cleaning accessories are provided, such as a floor brush, a half round brush and a flat brush for extra working comfort.
