POWX325

VACUUM CLEANER 2x 1200W | 60L

The Powerplus POWX325 is a robust and durable wet and dry vacuum cleaner with stainless steel 60 litre tank and telescopic tube. Its soft tube measures 3.5m.

This vacuum cleaner features two engines of 1200W and is equipped with a new advanced filter system. It's easy to move around thanks to a wheeled base and additional handle with soft grip.

POWX325 has a blow and vacuum function. To activate the blow function simply attach the hose to the exhaust hole. Thanks to the drain device, you can easily drain the water to an external container using the drainage hose. To get rid of dust, dirt or wet spills different handy cleaning accessories are provided, such as a wet floor brush, a dry floor brush, round brush and crevice nozzle.

Sure this vacuum cleaner will suit all your cleaning tasks.
