POWX3400 WALLPAPER STRIPPER 2300W

Stripping wallpaper doesn't have to be a time consuming or excruciatingly long job. The POWX3400 wallpaper stripper loosens the wallpaper with steam, after which it comes off easily. Thanks to its 4.5 litre water tank, it has a maximum usage time of 70 minutes.

The Powerplus tool comes with a large and a small steam plate. Therefore it can be used for every stripping task. The wallpaper stripper is safe and easy to use. To prevent excessive pressure, the tool is equipped with a safety valve and optimal heat distribution. With its 4m long steam hose, it gives its users the freedom of movement needed to get the job done. This makes the POWX3400 ideal for stripping even the highest walls.
