POWX410 POWER STATION 4-IN-1

With this portable 4-in-1 energy station, a power supply is always close at hand. The energy station's DC voltage output is the ideal power source for radios, TVs, laptops, tablets, smartphones etc. You can also use the energy station to help start cars and other motors. And, of course, the integrated compressor is perfect for filling balls, air mattresses, bicycle and car tyres, The energy station is also equipped with two built-in 3W work lamps and two built-in 3W auxiliary lamps.
