POWERPLUS XB

POWXB20050

ANGLE GRINDER 20V Ø125mm

This compact 20V angle grinder from Powerplus XB is ideally suited for use in hard-to-reach corners. It is equipped with a durable and powerful brushless motor that requires only little maintenance. The Ø125mm disc enables you to cut tiles and pipes, as well as to grind and deburr different materials. The cordless tool has a rotation speed of up to 10 000min⁻¹.

Get started right away, thanks to the charger and 4.0Ah battery that offers a longer battery run time. The device features an auxiliary handle and a spindle lock to safely change the grinding disc.

The angle grinder comes in a handy storage case, including a battery, charger, safety guard, spanner and an auxiliary handle.
