# OSCILLATING MULTITOOL 20V

This cordless 20V oscillating multi-tool from Powerplus can be used for a wide variety of tasks. It features an extra powerful and durable brushless motor that prolongs the tool's lifespan. The motor provides a rotation speed of 19 500min<sup>-1</sup> and 39 000 oscillations per minute. The speed can be adjusted to match the workpiece's material and the tool accessory that is being used.

Accessories can be changed swiftly thanks to the tool-free quick-release system. Multiple accessories, a charger and a 2000mAh battery are included, so you can get started right away. The tool case ensures an easy transport and offers enough space to neatly store all items.
