POWERPLUS

POWXG2007

HEDGE TRIMMER HAAGSCHAAR TAILLE-HAIE HECKENSCHERE CORTASETOS

This electric hedge trimmer is an ideal tool for trimming smaller hedges. The laser cut blade trims branches up to 16mm in diameter. The compact 550W hedge trimmer is easy to hold and has also a second handle. The cable relief helps prevent the extension cord from becoming unplugged during use.

For additional security, the POWXG2007 is equipped with a protective nose. Its electrical brake stops the double action blade quickly in time of need. After the trimming job, you can safely store away the device with the solid blade cover.

TECHNICAL SPECIFICATIONS POWXG2007		Features	Box content	Symbols
