This cordless grass/shrub shear from Powerplus is the ideal tool to quickly trim your lawn edges and shrubs. Thanks to its compact size and light weight, you can use it even in those hard to reach corners. The blade can be tilted 30° up- or downwards, so you get even better trimming results.

You can go from trimming grass to hedges in a heartbeat by simply clicking the correct knife onto the tool. The grass shear has a cutting width of 100mm, while the shrub shear has one of 180mm. With the laser cut blades you are able to work even more efficiently and accurately. The blade guard enables you to store the knives safely after use.

TECHNICAL SPECIFICATIONS POWXG2033		Features	Box content	Symbols
Rated voltage	7.2V $\approx$	<ul style="list-style-type: none"> <li>• Easily changeable blades</li> <li>• Security key</li> <li>• Rotating knob</li> <li>• 35min autonomy</li> </ul>	1x grass/shrub shear
