This strong self-propelled petrol lawnmower combines great power with manoeuvrability so it can mow a large lawn in an instant. This lawnmower with solid steel housing and large wheels has an 196cc eco driver turbo 4-stroke engine and a cutting width of 530mm. The ready start engine allows you to start mowing quick and easy. Just pull the cord and the engine starts turning.

The cutting height can be set precisely with the 6 different cutting positions between 25 and 75mm. During mowing you can either collect the cuttings directly into the large 70 liter grass collector, or you can choose for rear discharge, side discharge or mulching.
